

This CD contains all talks of Nufact 2002 that were handed in digitally before Friday, July 5th. The talks have been put on the CD in their original format, so some of them can only be viewed if the appropriate programme is installed (see the readme file).

Instructions: open the file **index.html** in a browser window.

Table of contents:

- The Conference Poster
- List of participants
- Programme and Talks
- Proceedings
- Photos of speakers
- Photos of the July 1st reception
- Photos of the July 4th dinner
- Group photograph
- Readme
