

Dr Daniela Bauer

Blackett Laboratory
Physics Department
Imperial College London
London SW7 2BW
United Kingdom
daniela.bauer@imperial.ac.uk

Education

1991: Graduated from High School (Max Planck Gymnasium, Ludwigshafen)
Took a year off for travelling.
1992 - 1994 Albert-Ludwigs-Universitaet, Freiburg, Germany: Physics
1994 - 1998 Technische Universitaet, Dresden, Germany: Physics, graduated "Dipl. Phys."
(approximately an MSc)
1999 -2002 PhD in Particle Physics, Imperial College London, United Kingdom

Work

2003-2006: Post doc at Indiana University Bloomington, Indiana, USA (based at FNAL)
2006 - today: Research Associate Imperial College London

Areas of expertise

Particle Physics, Grid and Cloud computing

FNAL contact: Steven Timm timm@fnal.gov

Institutional contact: Morgan Wascko m.wascko@imperial.ac.uk
