Important information

 **No tickets.** easyJet is a ticketless airline, and your booking is now confirmed. You do not need to contact us before flying to re-confirm your travel arrangements.

 **Check-in information.** Check-in desks open two hours ahead of the flight's scheduled departure, and close *promptly* 40 minutes before the flight is scheduled to leave. If you're late, you will forfeit your seat and no refund will be offered.

 **Passports and ID.** **Approved photographic ID** is required on *all* flights, including domestic services.

 **Pack safely!** Take care when you pack your bags. No dangerous goods may be taken in baggage, and some other items may only be carried in certain parts of the aircraft. New security measures in the UK and at other European airports also strictly limit what you can carry in your hand baggage; these limitations are currently subject to change at short notice — please ensure you check our **online travel update** before flying for the latest information.

 **Baggage allowance.** Each paying passenger may take one standard piece of hand baggage, dimensions 55x40x20cm, and one piece of standard checked-in hold baggage weighing no more than 20kg. Additional charges apply if you exceed this allowance.

Your hold baggage weight allowance is 20kg, and you may check in one hold bag per person free of charge. Additional hold bags may be carried subject to a charge of £5.00 per bag per flight when paying in advance (£10.00 if paid at the airport).

 **Free seating.** easyJet does not allocate seats, and you can choose where to sit when you board the aircraft. The aircraft is boarded in priority order, however, so the earlier you check in, the more choice you will have!

 **Specific needs and access requirements.** Please inform us of any specific needs or access requirements by **adding a request** to your booking online or by calling the contact centre. Passengers with specific requirements should check in no later than 90 minutes before the scheduled departure time.
