NuInt15

10th International Workshop

on Neutrino-Nucleus Interaction in the Few-GeV Region

Venue : Icho-Kaikan in Osaka University

Easy access from/to the international airports,
Close to the heart of “Osaka” city.

You can enjoy not only PHYSICS
but food, drinks and culture.

Also, it is not far from Kyoto, Nara and Kobe.

You can visit surrounding cities quite easily.

Dates : Middle of November is
one of the most beautiful
seasons.

Weather is also fine.

Not so hot, not so cold.
